KOREAN COMMENTS ON THIS CHAPTER

"Oh, I got a heads up for those who thought that Seok Jangh was cute while reading this chapter!"

"If this couple breaks up, I refuse to read the waitress!"

"White-hair will be the winner for sure..."

"Jeez, I worried you. If you let go of Min I'll give her straight to Seok."

"It's finally out! But... I finished this chapter in 30 seconds. What're we gonna do with your Min T.T"

"Why are white and the girl so cute lol"

"My fingers are scrolling down at the speed of LTE!"

"Wow, I'm quite disappointed in Jaemin... is the times when he thought Min was a vampire. He always came back to her when she pushed him away, but now that he knows she's a vampire... it seems he's pushing her away? He should've just not come back to her from the start... why hurt Min?... did she even hurt your heart... Seok doesn't even matter..."

KOREAN COMMENTS ON THIS CHAPTER

by carmotlaxd

Holy one is carmotlaxd here to spread rumors about Mary some a warning!

By carmotlaxd where you go to the town you could enter

Carmotlaxd, there were a couple hundred merchants with their horse knights riding. In return you didn't need pay taxes.

Julius has finished the rumors.

It's all that carmotlaxd's fault

I warned both that they weren't material for death.

KOREAN COMMENTS ON THIS CHAPTER

I came to see White and then I came to deliver her. I also came to see Jeevan and then I came to deliver her.

I still prefer White over Jeevan.

I finished this in less than a month.

big spoiler when the author does we still end up being White.

Is it not that I felt sad for Queen at that moment.

I think White is done that on purpose, so that Rude (TL I suppose) couldn't think of anyone else, but the fact TTL doesn't act like it.

KOREAN COMMENTS ON THIS CHAPTER

"Why can't he just chase after her and tell her that that's his art."

"A vampire should chase his mistress, a vampire, 'wahaha' what?"

"What's wrong?"

"His mistress, didn't."

"My consciousness for 'what'?"

"In the end, it'll all lead back to Mark and Jensen."

"So the author cut the first two chapters, you'd need to run on SO version (or) second no chase after her"

"If it were really when the 'first door' opens, my hair would all over the place, but for Mark, only her minus eye is left to the rest."

"Jensen, my mistress was short. The readers, the character was short."

COME ON, WHAT'S SO
BAD ABOUT DRINKING
HUMAN BLOOD?

IT'S INSTRUCTIVE.

KOREAN COMMENTS ON THIS CHAPTER

Why is Yuzuru so apologetic? Because that's how he was born.

Shuu, Yuzuru. Why don't I have a sister? Author: Because that's how you were born.

Why do we live here? Because that's how we were born.

Why do students study? Well, it's weird. Because that's how we were born. You can pretty much do anything in here and it'll come out.

Q: Why can't I eat that meat someone? A: Because that's how I was born.

At least so for 'wario'.

www.westoonlive.com

—YOU CAN'T EAT ANYTHING ELSE??

YOU CAN TOTALLY EAT RICE AND LENTILS, SO WHY DOES IT HAVE TO BE—

HA... IF IT WERE THAT SIMPLE, WE WOULD PROBABLY ALREADY BE DOING THINGS THAT FUN.

BUT WE CAN'T HAVE PLAIN FOOD.

IT DOESN'T DISTURB.

NEVER IT DOESN'T DISTURB?

WELL, IF WE DO EAT IT, WE'D HAVE TO THROW IT BACK UP.

SO IF THERE WERE SOMEONELY ROOM FOR IT, IT'D BE QUITE PLEASING.

TO BE HONEST, THE
REASON WE COULDN'T
GO TO PICK YOU UP
WAS BECAUSE OF
SOMETHING LIKE THAT.

YOUR HOUSEHOLD
THREATENED TO REVEAL
MY IDENTITY IF I CAME
LOOKING FOR YOU ONE
MORE TIME...

SAYING THAT
THEY'D MAKE ME
AN OUTCAST IN
THEIR SOCIETY...

YOUR MOTHER
COULDN'T GO PICK
YOU UP BECAUSE
OF ME...

YOU HAVE NO IDEA
HOW MUCH TEARS
SHE POURED...
